CV Keynote speaker

Mirko Savić

Mirko Savić works at the Faculty of Economics in Subotica, at the Department for Business Informatics and Quantitative methods, where in 2013 he has become the full professor. He is teaching statistics, multivariate analysis and econometrics. He is also working at the University Center for Applied Statistics (University of Novi Sad), where he is teaching official statistics. Since 2015 Mirko Savić is active member of CAQA (Commission for Accreditation and Quality Assurance), Serbian HERE team (Higher Education Reform Expert), and Statistics Council of Republic of Serbia. He is member of: AIEL – Italian Association of Labor Economists, AEET – Spanish Association of Labor Economists, EURO – Association of European Operational Research Societies, EALE – European Association of Labor Economists, and Serbian Society of Economists. He is author of two textbooks for statistics and over 70 scientific papers. The fields of professional interest are statistics, econometrics, multivariate analysis, demographics, labor market and higher education.
